## **CAMPING INFORMATION:**

- **DATES:** Disney's Fort Wilderness has been reserved by the Teton Nation from Friday, March 4<sup>th</sup>, through Sunday March 6<sup>th</sup>.
- **CHECK IN-OUT:** Check in time is 1:00 PM on Friday. Check out time is by 11:00 AM Sunday.
- **GROUP CAMP SITE FACILITIES:** We are camping in the Creekside Meadow area. The area can hold up to 250 people maximum. Creekside Meadow is divided into 6 sites. We will divide those sites by tribes once we have a final head count.
- **COST:** \$50 per person for the weekend. Pop ups are extra. Payments can only be accepted online at [www.tetonnation.com](http://www.tetonnation.com).
- **CAMPING SPACE:** Disney assumes you have roughly a 10 x 11 tent. To fit everyone in, please set up your tents relatively close together. This ultimately depends on how many people attend.
- **TENTS:** Bring your own tent and supplies
- **AWNINGS:** Awnings are allowed, but be aware of camping space. Be creative, but be considerate of other tribes.
- **GRILLS:** A stationary charcoal grill is available in each of the six campsites. Because there are only six grills, you may want to bring your own propane grill.
- **FOOD:** All tribes are on their own.
- **PICNIC TABLES:** Each of the six campsites have picnic tables. Tribes may bring additional tables. There should be 5 tables per site.
- **CAMPFIRES:** Disney has established only 6 designated spots for fire pits. You can only use these pits. **NO OPEN FIRES ARE ALLOWED EXCEPT IN THESE PITS.**
- **FIREWOOD:** The Nation will order some firewood and it is included in the cost. Disney does have firewood for purchase. You may also bring your own firewood.
- **ELECTRICAL:** There are no electrical hook-ups down at the Creekside Meadow campsite. There is power at the Comfort Station.

- **RESTROOMS:** Nearby facilities include a Comfort Station with AC, private showers, restrooms, house and public phones and laundry.
- **EQUIPMENT DROP OFF:** In addition to the 12 vehicles allowed in our camping area, all vehicles will be allowed to drive to the site upon arrival to drop off supplies at the site. They then must return to the main parking lot due to the limit of 12 parking spots.
- **PARKING & STORAGE TRAILERS:** Storage trailers may be parked overnight down at the campsite. Specifically, the six camping sites have 2 overnight parking spots each. Trailers may be kept there. The rest of us need to park in the main lot, a Disney transport coach running down to the campsite every 15-20 minutes. The site is NOT within walking distance from the main parking lot.
- **POP-UP CAMPERS:** Absolutely NO travel trailers, pop-ups, motor homes or other campers are allowed at Creekside Meadow.
- **GOLF CARTS:** Disney does rent golf carts at \$59 + tax per 24 hours. However, a golf cart is not really necessary at this site. Golf carts must be parked at the Comfort Station not the camp site. There are a limited number so reserve the now at (407) 939-7807 (Group Reservations).
- **ACTIVITIES:** All activities are on your own. There will be NO Teton Nation events. Plan ahead with your tribes and your buddies.
- **SECURITY ID KEY:** Each tribe will be issued a security key allowing after hours access to nearby Ft. Wilderness facilities. The ID Key will also allow vehicles to come and go after hours.
